Dedicated to Making Democracy Work!

Who We Are

LWV-TLC is one of the oldest local Leagues in the State of Ohio. Since 1921, LWV-TLC has been a highly respected citizens' organization that researches issues from many points of view and educates the public and decision makers. The League consists of **women and men** who want to make a difference in our communities, our country and our world.

- LWV-TLC is nonpartisan and does not support or oppose any political party or candidate.
- LWV-TLC will support issues and legislation after careful study and member agreement.
- LWV-TLC mobilizes people to use the power of the vote to support or oppose issues.
- Membership is open to all who are 16 years or older.

Free and open access to information is as important today as it ever was. Educating people about the political process and how to make their voices heard is a job the LWV-TLC takes very seriously.

LWV-TLC is a 501(c)(3) nonprofit voter education and advocacy organization. Contributions are deductible to the extent allowed by law.

If We Don't Do It, Who Will?

The League of Women Voters® is a nationwide group of women and men who care about democracy. The LWV is the original strictly nonpartisan citizen network. The LWV does not support or oppose any political party or any candidate. However, after study, LWV may advocate for or against selected issues and legislation. The LWV focuses on the future by tuning in to issues that affect us all. In so doing, we help shape public policy.
